

Application::getjoinaddr

```
graph LR; A[Application::getjoinaddr] --> B[Address::init]
```

A diagram showing a horizontal flow from left to right. On the left is a gray rectangular box with a black border containing the text 'Application::getjoinaddr'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box with a black border on the right, which contains the text 'Address::init'.

Address::init
